Allan Shepherd's previous books include *The Organic Garden*, *The Little Book of Slugs*, *The Little Book of Garden Heroes*, *Curious Incidents in the Garden at Night-time* and *The Little Book of Garden Villains*. Visit Alan's www.compostlover.com for more information, relevant links and garden hints and tips.

Want to feed your soil? Need to put your plants on a healthy diet? Well, make compost; it's as easy as baked beans on toast.

This little book will show you how to start composting so you can reward your plants and flowers with delicious home-made treats packed full of nutrients. They'll never go hungry again.

Praise for *The Organic Garden*
"Refreshing and divergent, and an inspiration for gardeners new and old. Read it – you won't be disappointed."
Andi Clevely, *RHS' The Garden*

The Little Book of Compost

Recipes for a healthy garden and happy planet

Allan Shepherd

Compost is fuel for your garden. It enriches your soil and will give you longer harvests, more bountiful blooms, stronger plants and less damage from pests. Plus, it's a great way to help the environment, as you'll be encouraging lots of helpful species to decompose your household and kitchen waste for you.

With **The Little Book of Compost** you'll understand just how easy it is to turn your kitchen scraps into vital nourishment for your soil. In fact, it's just like making a recipe; all you need are the right ingredients and simple tools and you'll end up with a dish so delicious your garden's waistline will grow and grow.
